

The Board of the Swiss Society of Hawaii takes great pleasure in inviting you to our Club!

Our goal is to foster the relationship between people from Switzerland and the United States and the State of Hawaii with its beautiful islands. Swiss citizenship is not a requirement; we welcome friends of all nationalities. Our meetings are often held in good Swiss tradition: along with splendid foods and drinks and good companionship.

The Swiss club typically has several annual events:

- Swiss National Day Celebration
- Movie Night
- Christmas Reception
- Spring Garden Party
- And more exciting events

A low annual membership fee will allow you to join these events at a discounted price. Take the opportunity to make new friends and get a touch from back home!
